The Weaver
1959

FOREWORD

We, the Seniors of 1959, proudly present to you our yearbook, "THE WEAVER," in which we have woven for you the pattern of our four years of high school--bright memories, as silver threads; worthwhile and meaningful memories, as golden threads; and sometimes even some darker threads; but all combined into one glorious pattern to complete the warp and woof of our school days.

We hope that you will enjoy reliving these memories with us as much as we have enjoyed weaving them for you.

Sincerely,
Susan B. Freeman

School Song

Here's to dear old Biscoe,
Faithful and true.
Here's to our banner of
The white and blue.
Here's to the men and women
Who come and go
Singing the victory song
Of old Biscoe.

1958 BISCOE DEBATERS WIN DISTRICT CONTEST

During the past ten years, Biscoe High School has not failed to turn out at least one winning team. This year is no exception. Susan Freeman and Woody Long comprised the affirmative team, while David Britt and Edward Burt, Jr., upheld the negative side of the query. The negative speakers were victorious over Aberdeen in the triangle. Then in the District Contest at Flora MacDonald College they defeated three teams to win the District Championship. This placed them in the state finals at Chapel Hill, where they made a very creditable showing in competition with teams from much larger schools.

Mrs. McDuffie is the debate coach.

Martha Jean Long

WORLD PEACE SPEAKING PROGRAM

For the past ten years the students of Biscoe High School have participated in the World Peace Speaking Program. Martha Long was declared winner in the 1958 contest.

The Biscoe Junior Woman's Club is the local sponsor.

Mrs. McDuffie is the faculty coach.

Janice Kennedy

VOICE OF DEMOCRACY CONTEST

The Voice of Democracy Contest, a national contest in scope, involves writing and delivering a radio script showing the value of living in a democratic nation.

Janice Kennedy was awarded the medal this year. Others participating were Shirley Reynolds, Carolyn Stevenson, and Judy Crotts.

THE WASHINGTON TRIP

THINGS TO REMEMBER

Leaving in the rain... endless steps at beautiful Mount Vernon... checking in at the Manger-Hamilton... Susan kicking the waitress who was under the table cleaning up crumbs... the hardy souls who climbed to the top of the Washington Monument... Tommy passing out... Linda and Susan pressing all the wrinkled clothes of the boys... Danny photographing Yankee gals... "Didn't think you were that kind of a boy"... cute guide at the F. B. I. building... awe-inspiring visit to the Wax Museum... the welcome sound of Mrs. Connor's voice at 6:00 A. M... Mr. Shirlen, "And God Created Woman"... "Oo-Ee-Oo-Ah-Ah-Ting-Tang-Walla-Walla-Bing-Bang"... Sore, sore feet... Biscoe High School sign stolen from the bus in front of the F. B. I... Strawberry shortcake ... Breakfast at the drug store... Susan, William, Danny, and Dolores window-shopping, at night... Martha sleeping on the cot... "Don't call me a Rebel, Yankee!"... Roller coaster in the rain... Throwing pennies... Sack dresses and hats... Jimmy, Herman, and Charles; "Where's the bus?"... 9:00 P. M. lights out, 9:05 P. M. lights on... "Don't put that shaving cream on me"... The first group ever to arrive home before midnight and with some money... The anxious dates waiting at the bus station... But alas, Dolores and Susan, "Where are they?"... The end of a perfect trip.

"Guess Who?"

"Tomb of the Unknown Soldier."

"Man, that's a long way up!"

HOME ECONOMICS

For the first time in many years, home economics is being offered in Biscoe High School.

Thirty-eight girls, sophomores, juniors, and seniors are learning something of the seven areas of homemaking: child development, foods and nutrition, housing, family relations, health and safety, home care of the sick, clothing and grooming.

A chapter of the Future Homemakers of America has been organized to enrich and vitalize the program with over fifty percent of the students members.

In incorporating home economics in the curriculum this year, the school offers additional opportunities to the girls regardless of their intended vocation.

Last fall Mr. Conner met with all the athletes that had earned a varsity letter to form a monogram club. The purpose of this club is to promote an interest in athletics among the student body and the community, to establish an active club for athletes, and to endeavor, through athletics, to raise the scholastic goals of the participating members. The club has been very successful.

Man's life is laid in the loom of time
To a pattern he does not see,
While the weavers work and the shuttles fly
Till the dawn of eternity.

God surely planned the pattern;
Each thread, the dark and fair,
Is chosen by His master skill
And placed in the web with care.
